## 5. Purchase Pin

The image displays two screenshots of a mobile application interface for purchasing pins.

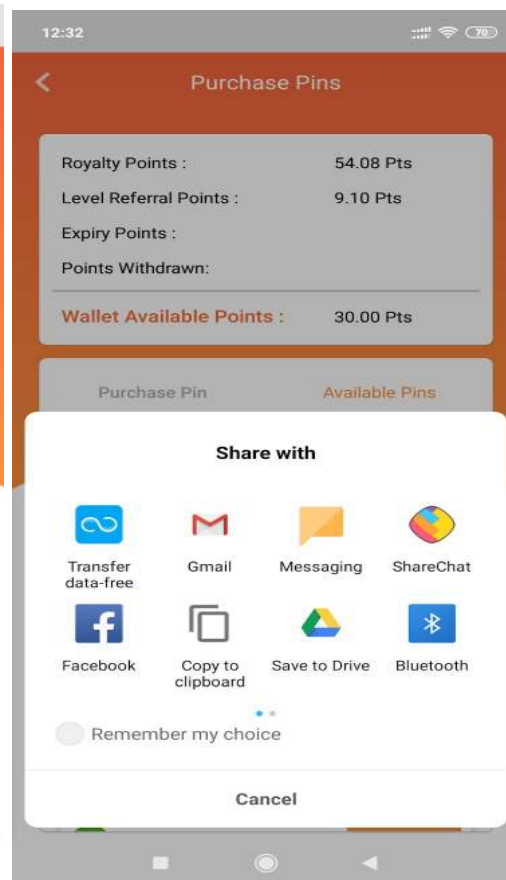

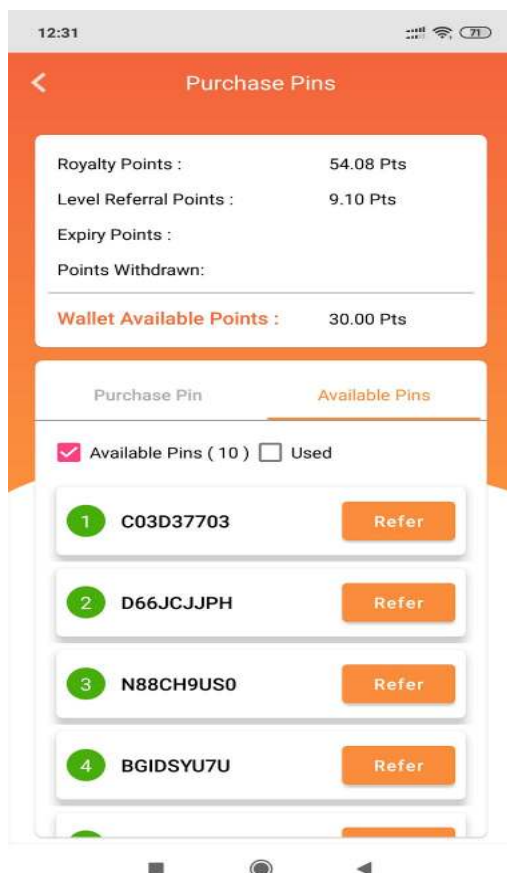

**Left Screenshot (17:11):** The screen is titled "Purchase Pins". It shows a list of points: Royalty Points (0 Pts), Level Referral Points (0.00 Pts), Expiry Points (0.00 Pts), and Points Withdrawn (10 Pts). Below this, it states "Wallet Available Points : 0.00 Pts". There are two tabs: "Purchase Pin" (selected) and "Available Pins". Under the "Purchase Pin" tab, there is a form to "Enter Pin Quantity" with the number "6" entered. Below the form, it shows "Wallet Amount : 0.0 Pts" and "Amount to add : Rs.60.0". At the bottom, there is an orange button labeled "PAY AND PURCHASE PINS".

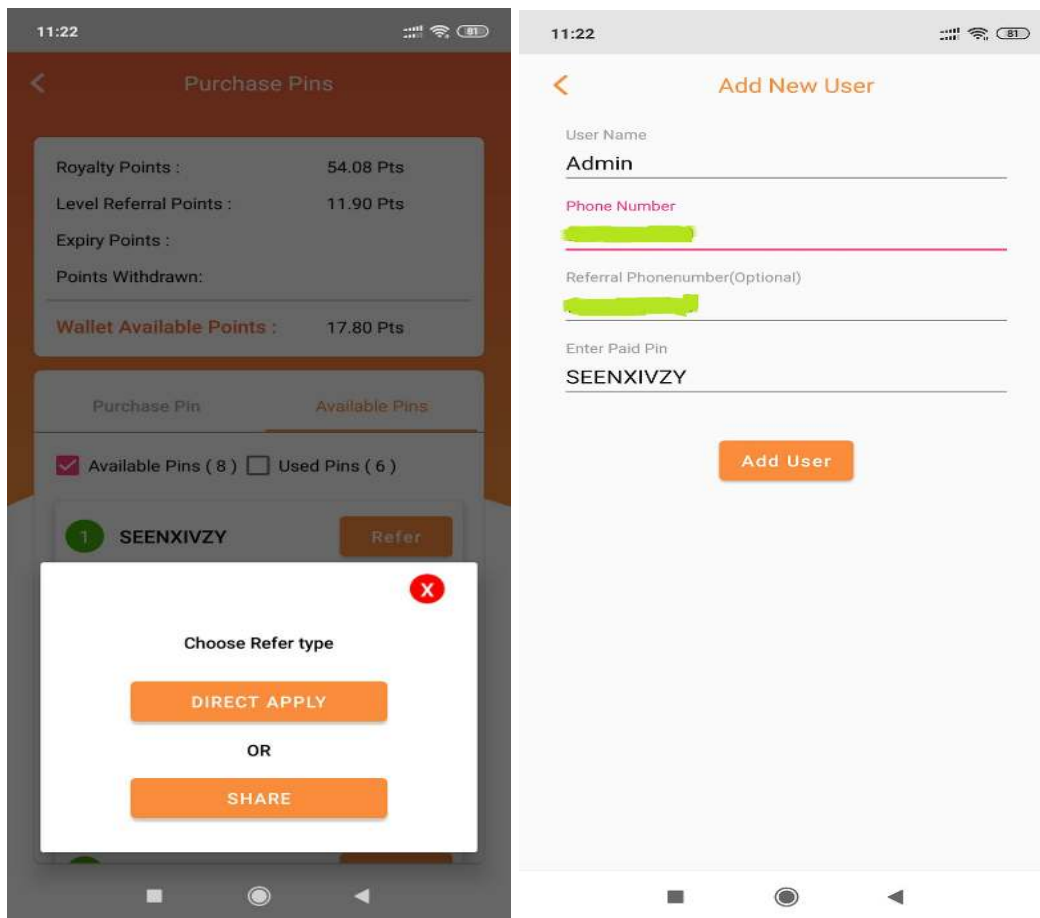

**Right Screenshot (12:31):** The screen is titled "Buytm" with a close button (X). It shows "Order #123456" and "₹ 20". Below this, there are fields for "Phone" and "Email", both with redacted information. Under the heading "SELECT A PAYMENT METHOD", there are two options: "Wallet - Ola Money (Post..." (selected) and "Other Methods | Cards, Wallets, UPI etc.". At the bottom, there is a navigation bar with three icons.

### Description:

1. Purchase pins by paying online through the gateway.
2. BUYTM order id generated to complete payment

## 6. Available Pins

**Description:**

1. Purchased available pins can be referred to close ones.
2. Purchased pins can be shared with multiple platforms.
3. Purchased pin can be refer directly for user instead of sharing.

## 7. Withdrawal Amount - (Transfer to Friends)

The screenshot shows a mobile application interface for requesting a withdrawal. At the top, the status bar displays the time 14:45, signal strength, Wi-Fi, and 66% battery. The app's title bar is orange with a back arrow and the text 'Request For Withdrawal'. Below this, there are two tabs: 'Transfer To Friends' (active) and 'Transfer To Bank'. The 'Transfer To Friends' tab contains a form with the following elements: an 'Enter Amount' input field with the value '25', a red text label 'Available Wallet Amount : Rs.30.00', an 'Enter Friends Phone Number' input field with a green bar, and a warning message 'By Transferring you will lose 20 % of share to your friend'. At the bottom of the form is an orange 'CONFIRM' button. The entire app interface is shown within a white frame that has a slight drop shadow, set against a light gray background.

**Description:**

1. Available withdrawable amount can be transferred to friends and closed ones
2. Transferring you lose 20 % of share to your friend.

## 7.1. Withdrawal Amount - (Transfer to Bank)
